

Necessary changes to stay in business!

10-11-12 October 2008
Colisée Desjardins of Victoriaville

Take this opportunity to see more than 500 beef cattle, attend presentations on production and genetic and see the CIAQ staff who will be happy to make you participate in a drawing of 1500 \$ worth of semen doses and A.I. services.

Also come and get some information on :

- our new sires available for 2009
- our prices... the best in the industry and very competitive as compared to natural breeding
- A.I.... without having to detect heats
- the benefits of crossbreedings \$\$\$\$\$
- any other subject related to beef genetics

Come and visit us, we look forward to seeing you!

Congrès du Bœuf
