

Millionaire Sire Comestar Outside Passes Away

Semex regrets to announce that Millionaire Sire 0073HO02479 Comestar **Outside** EX-95-CAN EXTRA recently passed away.

Outside, known for transmitting the traits that lead to longevity and profitability, debuted at #20 LPI in August 1998 and quickly rose to #5 LPI in November 1998. He was easily branded a milk and fat specialist, siring desirable frames, enviable udders and outstanding feet & legs. The third Millionaire Sire from the Laurie Sheik family, Outside was a Ronnybrook Prelude son from a Blackstar full sister to the now iconic Comestar Leader and Comestar Lee. Nearly 10 years later, Outside is still a desirable and in-demand sire, scoring +10 Conf at 99% Reliability with 110

Herd Life and a 5.1 Productive Life.

"People worldwide tell us their Outside daughters are long-lasting profitable cows," says Semex Alliance Sire Analyst & Product Support Specialist Mike West. "Outside's daughters are every man's kind of cows. He sires the well-balanced cows that are valuable no matter how you measure it."

With popularity that knew no borders, Outside sold semen into well over 47 countries with over 88,000 daughters in his production proof and over 56,000 daughters in his type proof in his recent August 2008 MACE evaluation. In Canada, his 29,750 daughters scored 70% GP or better with a milk equivalent on over 32,000 daughters of 10,899 3.8% 410 3.1% 334 kgs. Known as "Mr Consistency" at his home at CIAQ (Centre d'insémination artificielle du Québec) by his sire care professionals, Outside continued strong production well after reaching Millionaire Status in 2006.

Penlow Georgette Outside EX-95
Daughter of Comestar Outside

Outside's legacy will be felt for generations to come as his sons and daughters continue to transmit the same qualities that made him so popular and so famous worldwide... Great feet & legs, correct rumps and the width of rear udder that allows for easy production, lactation after lactation.

After Comestar Lee and Startmore Rudolph, Outside is the third millionaire to be housed at CIAQ and according to our statistics, the oldest sire to have produced semen.
